

## IMENDA NAWA MUNYINDA

### Full Stack Developer

Email: [drnawajr2@gmail.com](mailto:drnawajr2@gmail.com)

WhatsApp: +260963277630

Portfolio: [imenda-tl5.github.io/Imen/](https://imenda-tl5.github.io/Imen/)

## PROFESSIONAL SUMMARY

Motivated and results-driven **Full Stack Developer** with 2 years of experience in developing dynamic, responsive, and scalable web applications. Proficient in both **front-end** and **back-end** development using **React**, **JavaScript**, and **Python** with **Django**. Specialized in creating RESTful APIs and seamless integration for web applications. Strong problem-solving abilities, efficient collaboration skills, and a passion for continuous learning in fast-paced tech environments. Seeking to leverage expertise in modern web technologies and contribute to impactful projects.

## CORE COMPETENCIES

- **Web Development:** Front-End & Back-End Development, Responsive Design, User Experience (UX)
- **Programming Languages:** JavaScript, Python
- **Frameworks & Libraries:** React, Django, Node.js
- **API Development:** RESTful APIs, API Integration
- **Databases:** MySQL, SQLite
- **Version Control:** Git, GitHub
- **Tools & Technologies:** HTML, CSS, Tailwind CSS
- **Software Development:** Agile Development, Problem-Solving, Cross-Functional Collaboration

## EDUCATION

- **Mulungushi University**

*Bachelor of Civil Engineering* (Expected: August 25th, 2024 – Present)

- **Mufulira Secondary School**

Completed December 2023

- **Key Subjects:**

- Math (1 distinction)
- Chemistry (1 distinction)
- Physics (1 distinction)
- Biology (1 distinction)
- English (3 Merit)
- Additional Mathematics (2 distinction)

## PROJECTS

- **Personal Portfolio Website**

Developed a fully responsive portfolio website to showcase technical skills, projects, and achievements. Integrated various front-end technologies such as **React**, **HTML**, and **CSS** for an interactive user interface.

- **E-commerce Web Application**

Built a scalable **e-commerce** web platform with **Nodejs** as the back-end and **React** for the front-end. Integrated secure user authentication, product listings, and a payment system using **Stripe API**.

## ADDITIONAL SKILLS & ATTRIBUTES

- **Problem-Solving:** Ability to troubleshoot and debug issues efficiently, ensuring minimal downtime and optimized performance.
- **Time Management:** Experienced in managing multiple tasks simultaneously, prioritizing deadlines, and delivering results on time.

- **Team Collaboration:** Effective communicator and team player, experienced in working in Agile environments and cross-functional teams.
- **Adaptability:** Eagerness to learn new technologies, adapt to evolving frameworks, and work in fast-paced development cycles.
